

Mr. John Hicks
Director, NPIC

STATINTL

John:

[redacted] says you will be seeing him next week concerning IC Staff studies re "contingency collection plans." I hope to be present because (1) I am now professionally interested in such matters, and (2) I haven't seen you to exchange insults for a long, long time. In any event, I send you the attached; FYI, see paragraphs 4 and 5.
